Honorable Common Council:  
 Gentlemen—The Development Plan for the University City Project No. 1, Mich. R-53, provides for the widening of both the John Lodge and Edsel Ford Freeway service drives within the project boundaries.

### Detroit Housing Commission

Honorable Common Council:  
Gentlemen—The firm of Walsh and Thomas is now preparing land acquisition appraisals in the Michigan 1-16 Senior Citizens Site at Russell and Canfield. In the course of their investigations and appraisals, it has become apparent that a severance damage appraisal will be necessary on the Gold Star Holdings since this company owns four parcels immediately outside of the project area which will be severed when their main facility is taken for the housing site.
