Honorable Common Council:

Gentlemen—In the North Industrial Rehabilitation Project, Mich. R-119, it is necessary that we obtain engineering surveys for acquisition and condemnation purposes. We submitted invitations to six firms to submit a proposal for this work and four firms submitted proposals as follows:
McMahon Engineering Co., \$20.00 per parcel.

Professional Engineering Associates, \$25.00 per parcel.

Basney & Smith, Inc., \$26.75 per parcel.

Mason L. Brown & Son, Inc., \$28.50 per parcel.

The firms were requested to submit their proposals on a unit basis since the exact number of parcels is unknown at the present time. However, for purposes of estimating they were told that there would be approximately 370 parcels.

On this basis we request your Honorable Body's authorization to enter into an agreement with McMahon Engineering Company to prepare the necessary engineering surveys for the North Industrial Rehabilitation Project, Mich. R-119, at \$20.00 per parcel or an estimated cost of \$7,380.00.

Respectfully submitted,

ROBERT D. KNOX,
Director-Secretary.
