

Detroit Housing Commission

September 19, 1966.

Honorable Common Council:

Gentlemen—As part of the development plan for the rehabilitation of the area known as the Medical Center Rehabilitation Project No. 2, Mich. R-52, it will be necessary to widen Alexandrine Avenue between Woodward Avenue and John R Street.

The Housing Commission is anxious to complete the widening of Alexandrine Avenue in the above project and has been advised by the City Engineer's Office that this street is scheduled for paving in the next paving season.

In view of the foregoing, it will be necessary to adopt the attached resolution allocating the necessary land for the widening of Alexandrine Avenue between Woodward Avenue and John R Streets.

Respectfully submitted,

ROBERT D. KNOX,

Director-Secretary.

By Councilman Van Antwerp:

Resolved, That land in the City of Detroit, Wayne County, Michigan being all that part of Lots 3 to 13, both inclusive, of the Subdivision of Part of Park Lot 26, City of Detroit, Wayne County, Michigan as recorded in Liber 2, Page 5 of Plats Wayne County Records lying between the south line of Alexandrine Avenue, 100 feet wide, and a line 20 feet south of and parallel to said south line of Alexandrine Avenue.

Be and the same is hereby allocated for the widening of Alexandrine Avenue between Woodward Avenue, 120 feet wide as now established, and John R Street, 84 feet wide as now established.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Hood, Miriani, Ravitz, Rogell, Van Antwerp and President Carey—9.
Nays—None.

Mayor's Committee**Total Action Against Poverty**

September 30, 1966.

Honorable Common Council:

Gentlemen—Until the present time, the Mayor's Committee—Total Action Against Poverty has relied almost exclusively on funds available under the Economic Opportunity Act of 1964. However, there are several legislative acts, implemented by many Federal departments and agencies, which provide funds to locally conceived projects. Funds are also available from private foundations.

Our Program Development Component is preparing to elicit funds from a wide range of public and private agencies. Before moving into these new areas, TAP would like to engage the services of three consultants to help us prepare for this new endeavor. The first consultant will help set up the methods of operation and the strategy necessary to obtain

a wide range of Federal and private funds. The second will be knowledgeable about foundation monies, and the third will lend expertise in the area of Federal monies.

We would like to hire Miss Jenny Lind as the first of the three consultants. The other two will be designated at a later date. Miss Lind is Acting Chief, Community Services Section, Division for Children and Youth, Wisconsin State Department of Public Welfare. She brings with her thirty years of experience in government and private agencies. In her present position, she is responsible for the planning of multiple state and county programs which utilize funds from all possible sources.

Authority to enter into contract with Miss Jenny Lind at the rate of \$50.00 per day for two days plus \$50.00 for travel expenses is respectfully requested.

Respectfully submitted,

PHILIP J. RUTLEDGE,

Director.

Approved:

R. P. ROSELLE,

Deputy Controller.

By Councilman Connor:

Resolved, That the Mayor's Committee—Total Action Against Poverty be and is hereby authorized to enter into contract with Miss Jenny Lind at the rate of \$50.00 per day for two days plus \$50.00 for travel expenses, making a total of \$150.00; and be it further

Resolved, That the City Controller be and is hereby authorized and directed to honor vouchers submitted in accordance with the above communication.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Hood, Miriani, Ravitz, Rogell, Van Antwerp and President Carey—9.
Nays—None.

Department of Parks and Recreation

August 26, 1966.

Honorable Common Council:

Gentlemen—Contract PR-187 is for the Enclosure at Heilmann Swimming Pool. EBM Contractors, Inc., is the Contractor.

It has been found advisable to make certain changes to provide for continuity in the steel reinforcement, and to correct certain oversights in the design.

The Contractor has submitted a price of \$1,688.36 for this additional work. This has been checked by the City Engineer and found to be fair and reasonable. Funds are available in Account No. 195-9520-920.

It is, therefore, recommended that the work be added to the existing Contract, PR-187, in accordance with the Contract provisions for changes in the work.

Respectfully submitted,

JOHN M. MAY,

General Superintendent.
