**Detroit Housing Commission**

March 4, 1966.

Honorable Common Council:

Gentlemen—The development Plan for the University City Project No. 1, Mich. R-53, approved and adopted by your Honorable Body on June 25, 1963, provides for the widening of Warren Avenue between Trumbull and the Lodge Freeway.

The land necessary for the widening was acquired as part of the project activities and is now owned by the City of Detroit, under the jurisdiction of the Housing Commission.

It is our intention to transfer jurisdiction of this land from Housing to the Department of Public Works; the DPW will then transfer \$30,092.07 from their land acquisition account to the Temporary Loan Repayment Fund for this project. Subsequent to this transaction, the Wayne County Road Commission will commence the street widening construction.

The appropriate percentage of the amount expended by the DPW will be claimed as a non-cash local grant-in-aid for this project and, as such, will make up a portion of the City's 1/3 share of the net project cost.

The area of the land to be transferred is 85,977.36 square feet. The square foot price of \$.35 is the fair value for public or institutional land as determined by the re-use appraisal for this project.

We respectfully request adoption of the attached resolution providing for the transfer of jurisdiction as outlined above.

Respectfully submitted,  
ROBERT D. KNOX,  
Director-Secretary.

Approved:  
G. J. SAAM,  
Deputy Controller.
