Honorable Common Council:

Re: Jog elimination in the alley first north of West Seven Mile Road between Edinborough and Huntington Roads.

Gentlemen—At the request of the adjoining property owners to privately pave the alley first north of West Seven Mile Road between Edinborough and Huntington Roads, plans were prepared by the City Engineer's office in order to have construction conform to the City's requirements.

In connection with the design of the paving, it was determined that the alley, as recorded in the two subdivisions which abut at the middle of the block, had a seven-foot jog which made it impossible for traffic to negotiate through that area.

Owners of the property fronting on Seven Mile Road, George Vatsis and Georgia Vatsis, his wife, were agreeable to the deeding of a small triangular parcel of property needed to eliminate this jog and permit the through-flow of traffic in the alley. This office has received a deed covering the land required, which has been approved as to description by the City Engineer and as to form and execution by the Corporation Council.

It is respectfully requested that said deed be accepted by the City of

Detroit and adoption of the attached resolution is recommended.

Respectfully submitted,

ROBERT E. TOOHEY,
Commissioner

By Councilman Van Antwerp:

Resolved, that Quit Claim Deed of George Vatsis and Georgia Vatsis, his wife, to the City of Detroit covering property dedicated for alley purposes, described as: All that part of Lot 309 of Evergreen Park Subdivision of the S.
