The Contractor has submitted an affidavit that all payrolls, material bills, and all other indebtedness incurred by him in connection with the work have been paid except items specifically listed as unpaid. The Surety has given written consent to final payment notwithstanding such unpaid items.

It is therefore recommended that the total value of the work, as above stated, less the total amounts previously paid on all progress payments, be paid to the Contractor with the understanding that such payment is made by the City and accepted by the Contractor under the Contract provisions covering final payment.
