Honorable City Council:

The appropriation for Account 112-1430-301, Supplies and Expense, will be insufficient to last the remainder of this fiscal year. This account provides the day-to-day living necessities such as mops, brooms, toiletries, kitchen utensils, soaps, disinfectants, postage, etc. Two main factors have contributed to the anticipated deficit of \$12,000; inflation and increased inmate population. As the inmate count increases, the usage of almost every item in this account likewise increases. Through the first six months of this fiscal year, we have experienced a 20% increase in inmate days over a similar period in the previous fiscal year. In addition, inflation has significantly affected this account. A few examples of price increases are shown below:

Item Paper cups, '73-'74 Price \$15.95/case, '74-'75 Price \$21.00/case, Percent Increase 31%.

Item Toilet tissue, '73-'74 Price .1575/roll, '74-'75 Price .202/roll, Percent Increase 28%.

Item Dishwashing compound, '73-'74 Price .155/lb., '74-'75 Price .185/lb., Percent Increase 19%.

Item Toilet soap, '73-'74 Price .0422/bar, '74-'75 Price .0725/bar, Percent Increase 71%.

Item Paper towels, '73-'74 Price 3.53/case, '74-'75 Price 6.65/case, Percent increase 88%.

Item Pot detergent, '73-'74 Price .16/lb, '74-'75 Price .246/lb., Percent Increase 53%.

Item Smoking tobacco, '73-'74 Price 8.15/gross, '74-'75 Price 9.75/gross, Percent Increase 19%.

Item Garbage cans, '73-'74 Price 12.65/ea., '74-'75 Price 16.50/ea., Percent Increase 30%.

Item Cleaning compound, '73-'74 Price .07/lb., '74-'75 Price .085/lb., Percent Increase 21%.

Item Wrapping paper, '73-'74 Price .12/lb., '74-'75 Price .205/lb., Percent Increase 70%.

It is therefore requested that \$12,000 be transferred to Account 112-1430-301 from available sources.

Honorable City Council:

Re: Petition No. 162 — Theodore Gelemey, Alley between Coventry and John R. south of Emery, Vacation.

The above petition requests the vacation of a portion of alley turnaround and the temporary closing of the adjoining portion of north-south alley in the above described block.

The requested vacation and temporary closing was approved by the Community and Economic Development Department with the recommendation that sufficient land

be dedicated on the opposite side of the alley for a new turnaround.

The Community and Economic Development Department and the Department of Transportation further recommend that the new alley turnaround remain closed on a temporary basis until such time as it is needed. In the meantime this portion shall be maintained by the petitioner as a part of his parking area.

The petitioner has issued a Warranty Deed for the new alley turnaround. This deed was approved as to form and execution by the Law Department and as to description by the City Engineering Department and is attached for your Honorable Body's acceptance.

Further, a portion of the turnaround on the west side of the alley to be vacated was set aside for alley purposes by your Honorable Body on July 10, 1951 (J.C.C. Page 1643). Accordingly, when vacated this portion would revert to City ownership. The Community and Economic Development Department has no objection to this small portion being deeded to the petitioner as the land we are receiving is larger in size.

All City departments and privately owned utility companies reported that they will be unaffected by the vacation and temporary closing, or that they have reached a satisfactory agreement with the petitioner regarding their installation therein.

The adoption of the attached resolution is recommended.

Honorable City Council:

Re: Petition No. 6891, Metropolitan Methodist Church Alley Vacation and Dedication.

On October 9, 1974 (J.C.C. Pages 2190 and 2191) your Honorable Body granted the petition of the Metropolitan Methodist Church to vacate a portion of the alleys at the rear of the church in the block bounded by Woodward, John R., Chandler, and Marston, provided the petitioner deed to the City land for a new alley outlet into Chandler.

Subsequent to your Honorable Body's action the petitioner has requested that the five foot strip between the new alley and the adjacent property be eliminated and the new alley be placed abutting this property. The Community and Economic Development Department has received a letter from Mr. Ernest Chapman, recorded owner of the property known as 67 Chandler, agreeing to the placement of the new alley outlet abutting his property.

Because of this an additional five feet of the east-west alley may be vacated, which will facilitate a more efficient parking lot layout for the church. The Community and Economic Development Department has given their approval.

We are in receipt of a Warranty Deed from the petitioner, deeding to the City of Detroit, land for the new alley outlet into Chandler.

This deed was approved as to form and execution by the Law Department and as to description by the City Engineering Department, and is attached for your Honorable Body's acceptance.

An appropriate resolution vacating the additional portion of alley and accepting the deed is attached for consideration by your Honorable Body.
