Honorable City Council:

Re: Petition 1272 — Richard Tillman
and Thomas Peterson, requesting
reimbursement for alleged losses
during course of employment..The above-described petition was
referred to this Department for report
and recommendation by your Honora-
ble Body. A brief summary of the
facts surrounding this matter are as
follows:Richard Tillman and Thomas Peter-
son are, and were at the times in ques-
tion, Police Lieutenants employed by
this Department.During the period between January,
1981 and January, 1982, while both of
the above-mentioned Officers were as-
signed to the Fourth Precinct, there
were a series of labor disputes. During
this time, both of these Officers were
victims of malicious vandalism to
their privately-owned vehicles while
these vehicles were parked in the gar-
age of the Fourth Precinct. Attempts
to identify and prosecute the guilty
parties have not been successful, al-
though normally only members of the
Detroit Police Department have ac-
cess to the garage.Clearly, both of these employees
have suffered losses, and the amounts
claimed appear to be a reasonable
measure of the damages, but the cir-
cumstances do not appear to fall
within those described in your Honora-
ble Body's resolution of November
21, 1972 (J.C.C. pae 2829), and reim-
bursements, therefore, could not be
processed within the boundaries of the
existing small claims procedure.In spite of this fact, it is the recom-
mendation of this Department thatthe interests of fairness and good
employee relations would be best
served by the payment of these
claims. We have prepared the at-
tached resolution for the considera-
tion of your Honorable Body, and re-
commend its approval.

Respectfully submitted,

GEORGE BENNETT

Deputy Chief

Management Services Bureau

By Council Member Mahaffey:

in the amount of \$200.00; and be it

Honorable City Council:

Re: Petition No. 675. Mt. Zion Evangelical Lutheran Congregation. Conversion to Easement of a portion of alleys in the block

bounded by McNichols, Pelkey and Gratiot.

The above petition requests the conversion of the above described alleys 18 to 20 feet wide into an easement for public utilities. The requested conversion into easement for public utilities was approved by the Community and Economic Development Department. The petition was then referred to us for investigation and report. Our report, accompanied by the original petition is as follows:

All City departments and privately-owned utility companies reported that they will be unaffected by the conversion to an easement of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installation therein.
