Honorable City Council:

Re: Petition No. 1583 — (Greater Detroit Resource Recovery Authority Street Widening — land dedications E. Warren between Russell and Dequindre; also Dequindre between Mack and Warren.

To clear title to the property containing the Greater Detroit Resource Recovery Facility, it is necessary for parts of the facility "steamline" to be located within dedicated public rights-of-way. Therefore, it is necessary to set aside City-owned land for the widening of E. Warren Avenue between Russell and Dequindre Streets; also for the widening of Dequindre Street between Mack and E. Warren Avenues.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,  
CLYDE R. HOPKINS  
Director
