

provide copies of any communication received from the vendor whose bid was rejected, using departments and any additional communication relative to a contract determined by Purchasing to be non-awardable.

3. The City Council will refer notifications received from the Purchasing Division, that a contract is non-awardable to a bidder deemed to have ties to South Africa, to the City Council's Research and Analysis Division for investigation and recommendation. The Research and Analysis Division shall submit a recommendation and resolution within five (5) City Council Committee of the Whole days, to provide an exemption to the file or contract or to disqualify the bid under review.

4. If it is determined that the bid, submitted by a vendor deemed to have ties to South Africa, should be disqualified, the vendor may protest to the City Council and request a public hearing as provided in Sec. 18-5-28 of the City Code; and **BE IT FINALLY**

RESOLVED, These procedures be provided to the Purchasing Director and to each company or vendor protesting the rejection of their bid due to the requirements of the South Africa Ordinance.

Honorable City Council:

Re: Petition No. 1797 (a), Community and Economic Development Department, Jefferson-Conner Industrial Revitalization Project Streets to Vacation — Parts of Hart, Conner Lane, and Charlevoix; (Chrysler and Budd Co. Sites) west of Conner, south of Mack.

A "Project Plan" to develop the Jefferson-Conner Industrial Revitalization Area was adopted by City Council on February 18, 1987. The approved plan has authorized the City to acquire properties and consolidate parcels by vacating public streets and alleys. The following resolutions, vacating public rights-of-way, have been previously adopted by your Honorable Body:

May 27, 1988 — J.C.C. pgs. 1333-1339

June 8, 1988 — J.C.C. pg. 1471

Oct. 12, 1988 — J.C.C. pg. 2557

May 24, 1989 — J.C.C. pg. 1291

However, to comply with the terms and conditions of development agreements it is necessary to vacate additional por-

tions of Hart Avenue (60 feet wide), Charlevoix Avenue (60 feet wide), and Conner Lane (33 feet wide); said parts of streets being west of Conner Avenue and south of Mack Avenue.

The requested public street closings have been approved by the Department of Transportation.

Satisfactory arrangements have been made with all other City departments and privately-owned utility companies.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
CLYDE R. HOPKINS,
Director

By Council Member Everett:

Honorable City Council:
Re: Petition No. 1208, Community and

Economic Development Department, University City Rehabilitation Project No. 2, Street and Alley Vacations in the area bounded by Trumbull, Sixth, Canfield and Forest.

To develop properties in University City Rehabilitation Project No. 2 it is necessary to vacate public streets and alleys in the area bounded by Trumbull Avenue, Sixth Street, Canfield and Forest Avenues.

The public street and alley closings were approved by the Department of Transportation.

Provisions protecting the Water and Sewerage Department's interests in the remaining public sewers are incorporated into the resolution. Also, other provisions protecting underground utility installations (within Lyssander, Lincoln and Brooklyn) are part of the resolution.

Satisfactory arrangements have been made with all City departments and privately-owned utility companies.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
CLYDE R. HOPKINS
Director
