Honorable City Council:
 Re: Petition No. 4215 — Crosswinds Communities, dedication of land to construct a new public alley, in the area of Pallister, Woodward, Bethune and Second.

Petition No. 4215 of "Crosswinds Communities" request City Council accept the dedication of private land for a new north-south public alley, 20 feet wide, (previously vacated May 11, 1965, J.C.C. Pg. 1092) between Bethune Ave., 60 feet

wide, and Pallister Ave., 60 feet wide, West of Woodward Ave.

The City Engineering Division — DPW/Street Design Bureau and the Traffic Engineering Division of DPW approved the request. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

City Council is requested to accept the deed and alley opening for public purposes; provided said property complies with the requirements of Detroit codes and ordinance No. 29-94, Detroit Code Sections 2-1-11 through 2-1-15 also known as the "Environmental Review Guidelines", and that the fee owner submit a properly executed "warranty" deed; proof of lien-free ownership; proof of paid Wayne County taxes and proof of paid

Detroit property taxes. The new public alley must be constructed to City Engineering Division — DPW specifications.

All other city departments and privately owned utility companies have no objections to the requested new in public alley right-of-way.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
SUNDAY JAIYESIMI
City Engineer
