Honorable City Council:

Re: Petition No. 2327 — Marathon Petroleum Company (MPC) request to dedicate land for the relocation of Pleasant St. at the intersection of Oakwood Boulevard.

Petition No. 2327 of "Marathon Petroleum Company (MPC)" request City Council to accept the dedication of private land, variable width, for the relocation of Pleasant Street, 50 feet wide, North of Oakwood Boulevard, 83 feet wide. This improvement will assist in the traffic issues at this corner.

The City Engineering Division — DPW/Street Design Bureau and the Traffic Engineering Division of DPW approved the request. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

City Council is requested to accept the deed and widening of Pleasant Street for public purposes; provided said property complies with the requirements of Detroit codes and ordinance No. 29-94; Detroit Code Sections 2-1-11 through 2-1-15 also known as the "Environmental Review Guidelines", and that the fee owner submit a properly executed "warranty" deed; proof of lien-free ownership; proof of paid Wayne County Taxes and proof of paid Detroit property taxes. The new public widening must be constructed to City Engineering Division — DPW specifications

All other city departments and privately owned utility companies have no objections to the requested widening of the public rights-of-way.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,  
JESSY JACOB P.E.

City Engineer
