Honorable City Council:

Re: Petition No. 242 & 2668 — CDPA — Architects — Midwest Creative Investments, LLC, request for vacation of alleys and conversion to easements, in the area of Carpenter, McDougall, Halleck, and Gallagher.

Petition No. 242 and 2668 of "CDPA — Architects — Midwest Creative Investments,

LLC", request for conversion to easements of the East-West public alleys, 16 feet wide, and portions of the North-South public alleys, 14 feet wide; also request the Honorable City Council accept the dedication of private land for alley outlets all in the block bounded by Halleck Avenue, 50 feet wide, Carpenter Avenue, 66 feet wide, McDougall Avenue, 50 feet wide, and Gallagher Avenue, 50 feet wide. This request is to provide the new Bridge Academy Charter School with a playground and playfield.

The new-dedicated public alleys were approved by the City Engineering Division (CED) DPW/Street Design Bureau and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

City Council is requested to accept the deed for the land for public purposes; provided said property complies with the requirements of Detroit codes and ordinance No. 29-94; Detroit Code Sections 2-1-11 through 2-1-15 also known as the "Environmental Review Guidelines", and that the fee owner submit a properly executed "warranty" deed; proof of lien-free ownership; proof of paid Wayne County Taxes and proof of paid Detroit property taxes. The new public rights-of-way must be constructed to City Engineering Division — DPW specifications.

All other city departments and privately owned utility companies have no objections to the requested vacation and dedication of the public rights-of-way.

An appropriate resolution is attached for consideration by your Honorable body.

Respectfully submitted,
JESSY JACOB, P.E.
