Honorable City Council:

Re: Petition No. 1458 — Huntington Bank request to vacate east-west and north-south public alley, 18 feet wide, in the area bounded by Mack, Goethe, Alter, and Wayburn.

Petition No. 1458 — Huntington Bank request to vacate and convert to easement the west part of the east-west public alley, 18 feet wide, and the north part of the north-south public alley, 18 feet wide, all in the block bounded by Goethe Avenue, 60 feet wide, Mack Avenue, 120 feet wide, Alter Road, 66 feet wide and Wayburn Avenue, 60 feet wide. The request will also dedicate a new alley outlet to prevent creating a dead-end of the remaining north-south alley.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to consolidate properties for commercial development consisting of a new bank building.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

The location of the request is adjacent to the Detroit and Grosse Pointe Park boundary line. The petitioner is aware that the east-west alley lies partially within the two cities. The attached resolution will address the part of the alley under Detroit jurisdiction; and the petitioner is working with Grosse Pointe Park to address the part of the alley under their jurisdiction.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Comcast reports having a relocation cost (\$3,488.69) associated with the request; and the petitioner has made arrangements with Comcast for their relocation. A provision for Comcast is a part of the resolution.

DTE Energy Electric Company reports involvement and provisions for DTE have been made a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,
 RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

Honorable City Council:
 Re: Wayne County Annual Special Events Permit.

An Annual Permit granting permission to temporarily close a County road for a reasonable length of time for a parade, marathon, celebration, festival or similar activity, or to use a County road as a

detour for traffic around such activity taking place on a non-County road may be issued by the Wayne County Permit Office to the City of Detroit.

As a condition of the annual permit, the County requires that the governing body pass a blanket resolution, effective for all permitted road closures for special events and installation of banners planned throughout the year which:

- 1) Agrees to fulfill all permit obligations and conditions for the current year.
- 2) To the extent allowed by law, hold harmless and defends Wayne County and its officials and employees against any and all damage claims, suits or judgments of any kind or nature arising as a result of the permitted activity.
