Permits

To the Honorable, the Common Council:

Gentlemen—To your Committee of the Whole was referred petition of the Bundy Tubing Co. (4215), to replace sidewalks at 8109 E. Jefferson Ave., N.E. corner of Parker Ave., and install steel tubing coils in the new sidewalk for radiant heating for removal of snow and ice. After consultation with the Dept. of Public Works, and careful consideration of the request, your committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

PATRICK V. McNAMARA,
Chairman.

By Councilman McNamara:

Resolved, That the Dept. of Public Works be and it is hereby authorized and directed to issue permit to the Bundy Tubing Co., 8109 E. Jefferson Ave., to replace the sidewalks on both street sides of said location at the N. E. corner of E. Jefferson and Parker Aves., being approximately 85 ft. along Jefferson and 220 ft. along Parker, and to install steel tubing coils in the new sidewalk for radiant heating

for the purpose of removing snow and ice.

Provided, Petitioner furnishes an approved surety bond in the penal sum of \$10,000.00, saving and protecting the City of Detroit harmless from any and all claims, damages or expenses that may arise by reason of the issuance of said permit and providing for the faithful performance by the grantee of the terms hereof, and files said bond with the City Controller, and further

Provided, That ordinance grade is used in the construction of the sidewalk; that all connections of sidewalk tubing to the supply and return heater pipes shall be encased in concrete to insure against leakage; that suitable wire mesh, as expanded metal be used to reinforce the concrete lying above the plane of the tubing in the walk, and that the work shall be performed under the supervision of the Department of Public Works, and the Dept. of Buildings & Safety Engineering, and in accordance with plans submitted to and approved by said departments, and further

Provided, That no rights in the public streets, alleys or other public places shall be considered waived by this permission, which is granted expressly on the condition that said radiant heating tubing coils and all obstructions in connection therewith shall be removed at the expense of the grantee at any time when so directed by the Common Council, and that the sidewalk and public property affected shall be restored to a condition satisfactory to said Department by said grantee at its expense or that radiant heating of the sidewalk shall be discontinued at any time when so directed by the Common Council, and further

Provided, That said permit issued by the Department of Public Works is granted with the distinct understanding that in the event of the charter of the City of Detroit being amended in such manner as will provide for the levying of a fee, charge or rental, to be hereafter determined upon, or in the event of an ordinance or resolution being enacted providing for an annual charge or rental for the occupancy of public streets, alleys or other public places, that the grantee will pay said fee, charge or rental provided for in said charter, or ordinance or resolution, and that said grantee does hereby bind himself thereunto and to accept said permit on the conditions hereby imposed, and in the event of the said grantee contesting the validity of said charter amendment, ordinance or resolution or of said fee, charge or rental, or upon refusal to pay same, this permit shall immediately become void, and further

Provided, This resolution is revocable at the will, whim or caprice of the Common Council and grantee hereby expressly waives any right to claim damages or compensation for property constructed hereunder or for the removal of same, and further, that grantee acquires no implied or other privileges hereunder not expressly stated herein.
