Department of Public Welfare  
October 5, 1948.

To the Honorable, the Common Council:

Gentlemen—As a step in the rehabilitation of Receiving Hospital a modern Cafeteria has been installed for the use of the hospital personnel. The Cafeteria has proved popular from the start. Where formerly not more than 200 persons a day were served, the average is now above 500.

When the 1948-49 budget was established the staff for the Cafeteria was set up on a tentative basis of seven attendants, with the understanding that this was subject to review when the actual need was determined. After a careful review of two months operation we respectfully request that the staff be set at twelve persons assigned as follows:

- 1 Senior Institutional Attendant for immediate supervision.
- 9 Institutional Attendants as cafeteria workers.
- 1 Institutional Attendant as dishwasher.
- 1 Institutional Attendant as Dining Room porter.

It is the firm intent of the Public Welfare Commission that this activ-

ity shall be carried on in a manner which will return actual cost to the City and to this end the Controller's Office is currently assisting in the establishment of cost accounting control.

Will your Honorable Body approve the inclusion of five new positions in the current budget? One Senior Institutional Attendant plus four Institutional Attendants to be carried in Account 136-3113-111.
