Street Widening

Honorable Common Council:

Gentlemen—To your Committee of the Whole was referred the communication from the Clerk of the Recorder's Court, transmitting verdict rendered by a jury of said court in the matter of the acquisition of land for the widening of Brennan Avenue, West of Jefferson Avenue.

Your Committee begs to report that we have had the matter under consideration, and are satisfied that the property in the assessment district is benefited by same and should therefore bear a portion of the expense. The award of the jury was \$14,450 and we recommend that 85 per cent or \$12,282.50 be assessed on the local assessment district, and that the remaining portion, viz: 15 per cent or \$2,167.50 be paid by the City of Detroit out of the Street Opening Fund, and therefore offer the following resolution.

Respectfully submitted,
EDWARD D. CONNOR,
Chairman.

By Councilman Connor:

Resolved, That the Common Council of the City of Detroit hereby

determines that the sum of \$12,282.50 is a just proportion of the compensation awarded by the jury for the property taken by the City of Detroit for the acquisition of land for the widening of Brennan Avenue, West of Jefferson Avenue, which should be paid by the owners or occupants of the pieces or parcels of real estate which will thus be benefited by said improvement, which said pieces or parcels of real estate are described in a resolution of the Common Council, Feb. 19, 1957, JCC Pages 277-8 wherein the assessment district for this improvement was designated; and be it further

Resolved, That there be assessed and levied upon said pieces or parcels of real estate included in said resolution above referred to, the amount of \$12,282.50 as near as may be, to the advantage which each lot or parcel is deemed to acquire by such improvement; and be it further

Resolved, That the Board of Assessors of the City of Detroit be and they are hereby directed and instructed to proceed forthwith to prepare an assessment roll in conformity with the requirements of the Charter of the City of Detroit relating to special assessments for collecting the expense of public improvements where a street is widened comprising the property hereinbefore referred to and described in said resolution Feb. 19, 1957, JCC Pages 277-8 upon which they shall assess and levy the amount of \$12,282.50 each lot or parcel to be assessed at a ratable proportion as near as may be of said amount, in accordance with the amount of benefit derived by such improvements; and be it further

Resolved, That the sum of \$2,167.50 of the award of the jury be paid by the City of Detroit out of the Street Opening Fund; and further

Resolved, That said assessment shall be made in four parts which shall become due and payable in 30 days after the first publication by the City Treasurer of the notice of such assessment.
