Provided, That said permit shall be issued only after a certified copy of this resolution has been duly recorded in the office of the Wayne County Register of Deeds, by and at the permittee's expense; and further

Provided, That this resolution is revocable at the will, whim or caprice of the Common Council, and that at any time said permit is revoked by the Council the said encroachment shall be removed by the permittee within the time directed, and that upon failure to do so, the Commissioner of the Department of Buildings & Safety Engineering or his agents may enter into and upon the premises and remove at permittee's expense, any part of said structure or installation which encroaches into or upon a street, alley or other public property, and further provided, that the permittee hereby waives any right to claim damages or compensation from the City of Detroit, or from any official agent thereof, due to the trespass or damage resulting from removing any such encroachment upon a street, alley, or other public property.
