FINANCE

Buildings and Safety Engineering
February 22, 1965.

Honorable Common Council:
Gentlemen—Wohlman & Sons, Inc. is currently engaged in the process of curing green salted hides in the City of Detroit. Over the past years they have considered installing a new process to cure hides by brining. They inform us that there is such a new operation in Dubuque, Iowa which virtually eliminates all odors.

Inasmuch as they are contemplating the installation of such an operation in the City of Detroit, they have requested that one of our staff members make a one day trip to Dubuque, Iowa on February 26, 1965.

I, therefore, request permission for an air pollution staff member to make this trip with the understanding that all expenses will be billed and reimbursed and that the employee's time be charged to "city business." I, therefore, respectfully request that \$95.00 be transferred from Account 1310-111 salaries to Account 1310-493 travel to provide the necessary travel funds.

Respectfully submitted,
CLYDE E. DOUGHERTY,
Commissioner.

Approved:
G. J. SAAM,
Deputy Controller.

By Councilman Wierzbicki:
Resolved, That the City Controller be and he is hereby authorized and directed to transfer funds and honor vouchers when presented in accordance with the foregoing communication; and be it further

Resolved, That the Department of Buildings and Safety Engineering is directed to make the proper billing for all expenses incurred and shall ascertain that reimbursement in accordance with the foregoing is made.
