Re: Petition No. 9262.

Gentlemen—We return herewith petition of Tony Pettinato, 18564 Kingsville Ave., Detroit, Michigan, requesting the forced construction of sidewalks at the following described location:

Lot 668; E.S. Kelly Rd. between McCormick and Kingsville, side on Kingsville only Approx. 80 Lin. Ft.

There is approximately 80 lineal feet of concrete sidewalks to be constructed; and the approximate cost of this new local improvement would be \$358.00, the cost and expense to be assessed against such lots or parcels of real estate to be benefitted by such local improvement in proportion to the probable benefit to be derived therefrom.

As this is an original sidewalk and can only be ordered constructed by a formal resolution as a forced account under the provisions of Chapter 264, as amended May 3, 1949, of the Compiled Ordinances, we recommend the adoption of the attached resolution.

Respectfully submitted,

ROBERT P. ROSELLE
