Provided, That the necessary permit be obtained from the Department of Public Works; and

Provided, That said installations meet the requirements of any applicable Fire and Safety Codes; and

Provided, That permittees at the time of obtaining the permit file with the City Controller an agreement in form approved by the Corporation Counsel, saving and protecting the City of Detroit harmless from any and all claims, damages or expenses that may arise by reason of the issuance of said permit and providing for the faithful performance by the permittees of the terms thereof, and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That no rights in the public streets, alleys or other public places shall be considered waived by this resolution which resolution is adopted expressly on condition that said encroachments shall be removed at the expense of the permittees at any time when so directed by resolution of the Common Council, and that the public property affected shall be restored to a condition satisfactory to said Department of Public Works by and at permittees' expense; and

Provided, That this resolution is revocable at the will, whim or caprice of the Common Council, and permittees hereby expressly waive any right to claim damages or compensation for removal of said encroachments; and further that permittees acquire no implied or other privileges hereunder not expressly stated herein; and

Provided, That said permit shall not be assigned or transferred without the written approval of the Common Council; and

Provided, That the filing of the indemnity agreement and the securing of the necessary permit referred to herein shall be construed as acceptance of the terms of this resolution by the permittees; and

Provided, That a certified copy of this resolution shall be recorded with the Office of the Register of Deeds for Wayne County by and at permittees' expense.
