Honorable Common Council:
 Re: Cancellation of Accounts Receivable—Wastewater Site.

Gentlemen—The attached schedule represents the accounts receivable of the Property Management Division of our office for the rentals in the Wastewater Site that have been determined to be uncollectable.

Several efforts have been made to secure payment of these receivables. In some instances present address of the party is unknown. In two cases the parties are deceased. Because of the limited balances owing it is felt that further time and effort would be unwarranted.

We, therefore, respectfully request that your Honorable Body approve the cancellation of the accounts receivable listed on the attached schedule.

Respectfully submitted,
ROBERT P. ROSELLE
 Controller

Aviation Commission
June 25, 1971

Honorable Common Council:
Re: Airport runway painting request for reimbursement to Michigan Aeronautics Commission.

Gentlemen—As an aviation safety matter, the Michigan Aeronautics Commission co-sponsors a joint airport runway painting program with local state airports. The program is designed to repaint runway markings every three years. Detroit City Airport had not been painted in the last five years.

The original estimate was for less than \$1,000, however, due to additional painting needed because of the displaced thresholds, the final share of the airport amounted to \$1,259.10.

It is respectfully requested that your Honorable Body approve the payment of \$1,259.10 to the Michigan Aeronautics Commission.
