Honorable Common Council:
Re: Petition No. 3868 of Milford Fab-
ricating Company to install elec-
trical underground lines at 19200
Glendale Avenue, Detroit, Mich-
igan.

Gentlemen—Pursuant to your re-
quest, this office has prepared the
appropriate resolution granting the
above petition in accordance with the
recommendations of the City depart-
ments involved.

Respectfully submitted,
CHRISTINE M. ROSSI,
Assistant Corporation Counsel

By Councilman Van Antwerp:

RESOLVED, That the Departments of Public Works and Building & Safety Engineering be and they are hereby authorized and directed to issue permits to Milford Fabricating Company, a Pennsylvania Corporation, to install underground electrical lines at 19200 Glendale to 19181 Glendale Avenue, Detroit, Michigan. Properties are described as:

19200 and 19150 Glendale

"All of Lots 35, 36 and 38 and easterly part of Lot 41 B. E. Taylors Brightmoor Consolidated Railroad Sites Subdivision lying S. of Grand River Ave., being a part of the NW ¼ of Sec. 26, T.1 S., R.10 E., Rec'd in L. 52 p. 48, City of Detroit, Wayne County, Mich."

19181 Glendale

"Lots 29 and 30, B. E. Taylors Brightmoor Consolidated Railroad Sites Subdivision lying S. of Grand River Ave., being part of the NW ¼ of Sec. 26, T.1 S., R.10 E., Recorded in L. 52, p. 48, City of Detroit, WCR."

Encroachment to consist of: 1. Install a new primary electrical underground line from our primary board located at 19200 Glendale to the southwest corner of the property at 19150 Glendale and to extend the line from that point to the southeast corner of the said property. 2. To install a new primary electrical underground line from the balcony mounted primary board on property at 19200 Glendale to the northeast corner of building at 19181 Glendale. All in accordance with print attached. Underground lines to cross Glendale Avenue and to lie in Glendale Avenue along northerly sidewalk as delineated in said print.

PROVIDED, That the necessary permits be obtained from the Departments of Public Works and Building & Safety Engineering, and that all work shall be done under the rules and regulations of those departments and the Fire Marshal, and in accordance with plans submitted to and approved by them; and ,

PROVIDED, That the electrical lines be installed approximately thirty (30") inches beneath the grade of the public property; and

PROVIDED, That permittee obtain necessary utility clearances prior to the issuance of any permits; and

PROVIDED, That said electrical lines be maintained and operated at the sole cost of the permittee; and

PROVIDED, That permittee at the time of obtaining said permits file with the City Controller an indemnity bond in the sum of twenty-five thousand (\$25,000.00) dollars, approved by the Corporation Counsel saving and protecting the City of Detroit harmless from any and all claims, damages or expenses that may

arise by reason of the issuance of said permits and the faithful performance by the permittee of the terms thereof, and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachment; and

PROVIDED, That no rights in the public streets, alleys or other public places shall be considered waived by this permission, which is granted expressly on the condition that said electrical lines and all obstructions in connection therewith shall be removed at the expense of the permittee at any time when so directed by the Common Council, and that the public property affected shall be restored to a condition satisfactory to said departments by said permittee at its expense; and

PROVIDED, That this resolution is revocable at the will, whim or caprice of the Common Council and permittee hereby expressly waives any right to claim damages or compensation for property constructed hereunder or for the removal of same, and further, that permittee acquires no implied or other privileges hereunder not expressly stated herein; and

PROVIDED, That these permits shall not be assigned or transferred without the written approval of the Common Council; and

PROVIDED, That the filing of the indemnity bond and the securing of the necessary permits referred to herein shall be construed as acceptance of the terms of this resolution by the permittee; and

PROVIDED, That a certified copy of this resolution shall be recorded with the office of the Register of Deeds for Wayne County by and at permittee's expense.

Approved:

MICHAEL M. GLUSAC
