Re: Claim No. 26560; Auto-Owners Ins. Co. Sub. for Hugh F. McNulty.

Gentlemen — The above claim was approved by your Honorable Body in the amount of \$450.00, J.C.C. 12-5-72.

We have been advised by the claimant in the above matter that through error the cost of repair was \$499.45, which has been verified and which sum did not include the \$50.00 deductible paid by their insured and request payment of a total amount of \$549.45.

We recommend payment of this sum and request that the original resolution authorizing payment be cancelled.

Respectfully submitted,

Re: Virgil Starkey, James Harris, Ronald Martin, Claim for Compensation.

Gentlemen — This is in response to a claim for compensation of the three police officers named above.

These men should be compensated at their proper rate of pay for the period they were suspended. Their suspension was a consequence of their having been involved in a shooting incident in which one man was killed and some others injured.

The departmental Board of Inquiry exonerated the claimants and there is no legal reason they should not be paid.

Respectfully submitted,

THOMAS H. GALLAGHER,

Ass't. Corp. Counsel.

Honorable Common Council :

Gentlemen — We are forwarding to you two ordinances.

One ordinance changes the age for being able to go into a billiard parlor from eighteen to sixteen. The other ordinance makes it lawful to keep a pool room open until two o'clock in the morning, instead of twelve midnight.

We wish to advise you that the State of Michigan changed their regulations in these matters, but they also provided that any city, township or village could have more stringent regulations than provided in the State law.
