Honorable City Council:

Re: Authorization to Establish Block Grant Appropriation for a Demolition of Buildings Program of \$3,000,000 to be reimbursed from Block Grant Year VI Program Funds.

It is anticipated that the 1979-80 Community Development Block Grant (CDBG) Appropriation for Demolition of Buildings project will be completely expended or encumbered by February, 1980.

In order to continue this important project in an orderly way, it will be necessary to provide an additional

appropriation of \$3,000,000 to cover the balance of this fiscal year ending June 30, 1980.

The CDBG application for 1979-80 has designated the program a multi-year project which allows us to continue this project with cost being reimbursed from CDBG year VI.

Therefore, your Honorable Body is requested to approve the resolution which authorizes the Finance Director to establish an appropriation and estimated revenue of \$3,000,000 in the Department of Public Works for this program.
