From the Mayor

January 7, 1981

Honorable City Council:

Attached you will find a request from the Armenian Memorial Monument Committee that the City accept the gift of a bronze statue of Gomidas to commemorate the massacre of Armenians in 1915.

After many discussions and careful consideration of various sites, it has been mutually agreed that the statue will be placed on the Jefferson Avenue median between the Michigan Consolidated Gas Company Building and Hart Plaza. The City will provide the footings; the Committee will provide all other materials and labor.

Your Honorable Body's action on the attached resolution will give the Committee the final approval they need to actually begin work on the sculpture.

Respectfully,
COLEMAN A. YOUNG

Mayor
