Honorable City Council:

Re: Temple/Second Avenue Street Improvements, EDA Title I.

On June 8, 1983 (J.C.C. Pg. 1076-77), Your Honorable Body authorized Mayor Coleman A. Young to submit an Economic Development Administration (EDA) Title I grant application of \$800,000 for the Temple/Second Avenue Street Improvements project. A local match of \$270,000 from the Cass/Woodward Corridor bond money was pledged for the requested EDA grant. Further, Your Honorable Body's action authorized acceptance of the EDA grant should such an award be tendered. The EDA grant was awarded to the City of Detroit on September 30, 1983 for \$856,000, and the local match now required is only \$214,000.

It is, therefore, requested that Your Honorable Body authorize the Finance Director to establish the necessary appropriation and honor vouchers when submitted in accordance with the grant agreement.

The approval of Your Honorable Body is requested.

The attached resolution authorizing this action is submitted for your consideration.

Respectfully submitted,
EMMETT S. MOTEN, JR.
