We are returning herewith Petition No. 2267 of Harris and Sons Auto Springs, Inc., requesting temporary closing of a portion of the public alley south of Schaefer Highway between Deacon and Ethel Avenues.

The request was approved by the Community and Economic Development Department with certain restrictions.

All other City departments and privately owned utility companies have reported that they have no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities.

An appropriate resolution containing the necessary conditions is attached for consideration by your Honorable Body.
