Honorable City Council:

Re: Petition No. 1904 — Detroit Edison, requesting conversion of alley to Easement and the Temporary Closing of an alley in the block bounded by Russell, Riopelle, Lyman Place and E. Milwaukee.

Petition No. 1904 of "Detroit Edison", requests the Closing, on a temporary basis for a period of five (5) years, of the north-south public alley, 20 feet wide, and the conversion of the east-west public alley, 17.78 feet wide, into a easement for

utilities, all within the block bounded by Russell Avenue, 60 feet wide, Riopelle Street, 50 feet wide, and East Milwaukee, 60 feet wide.

The request was approved by the Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW with certain restrictions. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The Detroit Water and Sewerage Department Ameritech/Michigan Bell Telephone Company, Comcast Cablevision, Detroit Edison Company and the Fire Department (all) will require unimpeded access to service the public and/or their existing facilities. Any fence and gate installation must provide 15 feet horizontal and 13 feet vertical clearance(s) for utility maintenance vehicles.

All other City departments and privately owned utility companies reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities. An appropriate resolution, containing the necessary conditions, is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW

Provided, This resolution is revocable at the will, whim or caprices of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein.
