Re: Petition No. 4204. Morgan Group LLC, requesting closure of alleys, streets, and service drives (with limited access) at 8140 Michigan between St. Lawrence and Elmer Avenue..

Petition No. 4204 of "Morgan Group LLC", at 18361 Weaver, Detroit, Michigan 48228, request the conversion of the North-South public alley, 20 feet wide, the East-West public alleys, 18 and 20 feet wide, and the Edsel Ford Service Drive (limited access), variable width, into private easements for utilities; also temporary close portions of St. Lawrence Avenue, 50 feet wide, and Elmer Avenue, 50 feet wide for a five year period all in the block bounded by Edsel Ford Freeway, Michigan Avenue, 100 feet wide, St. Lawrence Avenue, 50 feet wide, and Elmer Avenue, 50 feet wide. The request will provide better security and the expansion of a new surface parking lot for the Morgan Group and the adjacent property owners.

The request was approved by the Traffic Engineering Division-DPW and the Planning and Development Department. This petition was referred to the City Engineering Division-DPW for investigation and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrances (into Elmer Avenue, St. Lawrence Avenue and Edsel Ford Service Drive (limited access)), the petitioner shall pay all incidental removal cost.

All other city departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities.

An appropriate resolution, containing the necessary conditions, is attached for your consideration by your Honorable Body.

Respectfully submitted,
