Honorable City Council:

Re: Petition No. 276, Calhoun & Di Ponio, PLC, request for renewal of temporary closure of Hildale Street between the railroad right-of-way and Filer Street. (Reference to Petition 1916).

Petition No. 276, Calhoun and Di Ponio, PLC on behalf of PTI QCS Realty, LLC for

renewal of the temporary closure of Hildale Avenue, 60 feet wide, from the north-south public alley, 16 feet wide, first east of Filer Avenue, 50 feet wide, eastward 217 feet, more or less to the Michigan Central Railroad Right-of-way.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is a renewal of an existing closure that has no record of objections. The request is being made to facilitate the operations of PTI Quality Containment Solutions, LLC, an automotive supply and servicing company.

All involved City departments and privately owned utility companies have

reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 RICHARD DOHERTY, P.E.
 City Engineer
