Honorable City Council:
 Re: Petition No. 369 — Greenacres Wood-

ward Civic Association request a temporary alley closing of the north-south alley bounded by Warrington, Norfolk, Livernois, and Eight Mile Road.

Petition No. 369 of Greenacres Woodward Civic Association request for the temporary closing of the north-south public alley, 18 and 20 feet wide, and two east-west public alleys 18 and 20 feet wide in the block of Norfolk Road, 50 feet wide, West Eight Mile Road, 204 feet wide, Livernois Avenue, 120 feet wide and Warrington Drive, 50 feet wide.

The request to close the alley is being made to prevent loitering and illegal dumping; also to improve the overall security for the homeowners and the businesses on Livernois Avenue.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All involved City Departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
