 Re: Petition No. 1306 — POAH DD Sugar Hill, LLC, request to encroach into the John R Road and East Garfield Avenue right-of-way for the construction of a non-standard sidewalk improvement.

Petition No. 1306 — POAH DD Sugar Hill, LLC, request to encroach into the John R Road, 60 ft. wide, and East Garfield Avenue, 60 ft. wide, right-of-way for the construction of a non-standard sidewalk improvement.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of a new mixed-use development planned for the area.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but

they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 RICHARD DOHERTY, P.E
