Honorable City Council:  
 Re: Petition No. 1346 — 2930 E Grand LLC, request to encroach into Beaubien Street for the purpose of installing a monitoring well, north of East Grand Blvd.  
 Petition No. 1346 — 2930 E Grand LLC, request to encroach into Beaubien

Street, 60 feet wide, for the purpose of installing a monitoring well, north of East Grand Blvd, 150 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of an investigation of leaking underground storage tanks.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are fol-

lowed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.
