**Department of Public Works
City Engineering Division**

June 8, 2021

Honorable City Council:

Re: Petition No. 1441 — Ali Beydoun request for the encroachment into the North part of West Vernor Hwy. for the installation of an awning for the storefront business located at 3554 West Vernor Hwy.

Petition No. 1441 — Ali Beydoun request for the encroachment into the

North part of West Vernor Hwy., 66 ft. wide, for the installation of an awning for the storefront business located at 3554 West Vernor Hwy.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is being made for updates to the facade at 3554 West Vernor Hwy.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineering Division-DPW
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Ali Beydoun or their assigns to install and maintain encroachment for the following:

1. Awning, being located on the north side of West Vernor Hwy., adjacent to the parcel commonly known as 3554 West Vernor. Said awning will extend 24" south of the property line adjoining West Vernor Hwy., installed at a height ranging from 102" to 152" above surface grade, and have a width of 85" across the front facade of the building.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; And Be It Further

Provided, That access is maintained to all fire department connections, And Be It Further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right of way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other

improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; And Be It Further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; And Further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Ali Beydoun or their assigns; And Further

Provided, That the Ali Beydoun or then-assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division; And Further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Ali Beydoun or their assigns. Should damages to utilities occur Ali Beydoun or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; And Further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; And Further

Provided, That Ali Beydoun or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Ali Beydoun or their assigns of the terms thereof. Further, Ali Beydoun or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Ali Beydoun, or their assigns; And Further

Provided, That construction of the encroachments shall constitute accep-

tance of the terms and conditions as set forth in this resolution; And Be It Further

Provided, That resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Ali Beydoun acquires no implied or other privileges hereunder not expressly stated herein; And Further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; And Be It Further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Engineering Division**

June 8, 2021

Honorable City Council:

Re: Petition No. 1442 — Rand Property, LLC request for the encroachment into the south part of West Vernor Hwy. for the installation of an awning for the storefront business located at 3607 West Vernor Hwy.

Petition No. 1422 — Rand Property, LLC request for the encroachment into the south part of West Vernor Hwy., 66 ft. wide, for the installation of an awning for the storefront business located at 3607 West Vernor Hwy.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is being made for updates to the façade at 7603 West Vernor Hwy. (7607 West Vernor Hwy).

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineering Division — DPW
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Rand Property, LLC or their assigns to install and maintain encroachment for the following:

1. Awning, being located on the south side of West Vernor Hwy, adjacent to the parcel commonly known as 7603 West Vernor (unit known as 7607 West Vernor Hwy.). Said awning will extend 2.5 ft. north of the property line adjoining West

Vernor Hwy, installed at a height ranging from 8.5 ft. to 11.26 ft. above surface grade, and have a width of 22 ft. across the front facade of the building.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; And Be It Further

Provided, That access is maintained to all fire department connections, And Be It Further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right of way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right of way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; And Be It Further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; And Further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Rand Property, LLC or their assigns, and further

Provided, That the Rand Property, LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, And Further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located close proximity to the encroachments shall be borne by Rand Property, LLC or their assigns. Should damages to utilities occur Rand Property, LLC; of their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; And Further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed
