Honorable City Council:
 Re: Petition No. 431 — Tiger Stadium Partners, LLC request for encroachment into the westerly sidewalk on Trumbull Street to install landscaping areas and bike racks, adjacent to 1620 Michigan Avenue.
 Petition No. 431 — Tiger Stadium Partners, LLC request for encroachment into

the westerly sidewalk on Trumbull Street, 100 ft. wide, to install landscaping areas and bike racks, adjacent to 1620 Michigan Avenue.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is made to add streetscape elements associated with the development at 1620 Michigan Avenue.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the

DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 RICHARD DOHERTY, P.E.
