Honorable City Council:

Re: Petition No. x2022-8 — Liv Holdings LLC, request encroachment into Livernois Avenue for various building facade features at 18999-19011 Livernois Avenue.

Petition No. x2022-8 Liv Holdings LLC, request encroachment into Livernois Avenue, 120 ft. wide, for various building facade features at 18999-19011 Livernois Avenue.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is being made to approve existing building features within Livernois Avenue at 18999-19011 Livernois Avenue.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Santiago-Romero:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Liv Holdings LLC or their assigns to install and maintain encroachment for the following:
