Honorable City Council:
 Re: **Petition No. x2023-121** — Cody Rouge Community Action Alliance, request for encroachment within various City streets for the purpose of installing community wayfinding signs.

Petition No. x2023-121 — Cody Rouge Community Action Alliance, request for encroachment within various City streets for the purpose of installing community wayfinding signs.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to install new community signs for the Cody Rouge Community.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW, Traffic Engineering Division.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and

Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 RICHARD DORHERTY, P.E.

2. **Financial Responsibility:** It is understood that during the Term, all physical improvements and repairs to the Maintenance Area, as set forth herein, shall be at the sole cost and expense of Owner, subject to any express limitations set forth in this Agreement.

3. **Indemnification and Hold Harmless:** Owner hereby agrees to indemnify, defend and hold the City harmless from all loss, costs, expense, actions, claims of action, damages and liability (including attorneys' fees and costs) for injury to or death of any person or persons and for the damage to or destruction of property caused by Owner's actions or omissions in the course of or resulting from the maintenance activities contemplated by this Agreement.

Such insurance coverage shall name the City of Detroit as an additional insured and shall provide that the same may not be cancelled or materially modified without prior written notice by certified mail to the City to the attention of City of Detroit, Finance Department, Coleman A. 5. **Term:** The term of this Agreement (the "Term") shall commence on the date of this Agreement and continue for five (5) years thereafter unless terminated or extended pursuant to the following:

a. The City may terminate this Agreement prior to the end of the Term in the event that City has designed and has committed to implement a uniform scheme for the improvement of an area of City-owned property that encompasses the Maintenance Area and other adjacent City-owned property. The aforesaid may include widening of streets or sidewalks and relocation of water or sewer facilities.

Any amendment to or modification of this Agreement shall be of no force or effect unless it is in writing and signed by an authorized signatory for each of the parties.

8. **Successors and Assigns:** This Agreement is for the exclusive benefit of the parties stated herein and shall not be deemed to give any legal or equitable right, remedy or claim whatsoever to any other person. Notwithstanding the aforesaid,

Owner shall have the right, without requiring the City's consent to assign this Agreement to any purchaser of the Parcel or any affiliate of Owner; provided that if Owner assigns this Agreement to any unaffiliated third party purchaser of the Parcel, Owner shall notify the City in writing no later than thirty (30) days after such assignment, and the City may, by written notice to Owner within forty-five (45) days after receiving such notice from Owner (subject to reasonable extension due to City Council recess), terminate this Agreement. Unless terminated as provided above, this Agreement shall be binding upon the parties' successors and assigns.

9. **Improvement Changes:** Any changes to the Maintenance Area, except as contemplated by this Agreement, are subject to the prior approval of the City. Owner shall not install or construct in the Maintenance Area any structure, fixture, furniture, or equipment (including but not limited to signs, lighting, fixtures, shades, canopies, or awnings) as may obstruct or in any way encroach upon the Maintenance Area except as set forth in Exhibit B or otherwise properly permitted by the City.
