

FROM THE SAME.

To the Honorable the Common Council:
Gentlemen—Your Committee on Street Openings to whom was referred the deed of Bernard Wurzburger and wife dedicating to the City of Detroit a strip of land to be used as a public alley, respectfully report that we have carefully considered the report of accepting the same and, as the proposed alley does not conform to the plan of the city, recommend that the deed be not accepted.

Respectfully submitted,
W. G. SEELY,
JACOB F. MEIER,
NEIL GRANT.

Accepted and adopted.

FROM THE SAME.

To the Honorable the Common Council:
Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Robert W. Linn and others, remonstrating against assessments for benefits received by reason of opening Canfield avenue, from Seventh street to Twelfth street, respectfully report that they have examined the same, and believing that the property owned by petitioners was benefited by reason of the opening, respectfully recommend that the prayer of the petition be denied.

Respectfully submitted,
W. G. SEELY,
JACOB F. MEIER,
NEIL GRANT.

Accepted and adopted.

FROM THE SAME.

To the Honorable the Common Council:
Gentlemen—Your Committee on Street Openings to whom was referred the petition of Wm. H. Trainor for the acceptance of a plat respectfully report that they have examined the same and find that the property concerned lies between Maybury Grand, Warren and Hancock avenues and a line 207½ feet east of and parallel with Sullivan avenue, the only change from the general plan of that part of the city that will be affected by the acceptance of this plat will be to make Hancock avenue 60 feet wide instead of 50 feet, as called for by the general plan. As it is but a short distance between Sullivan avenue and the Grand Trunk Railway track and as Hancock avenue for much of its length is 60 feet wide, your committee recommended the acceptance of the plat.

Respectfully submitted,

WM. G. SEELY,
JACOB F. MEIER,
NEIL GRANT.

Accepted and leave being granted the following resolution was offered:

By Ald. Seely:

Resolved, That the Board of Public Works be and they are hereby authorized to approve and accept a plat of property lying between Maybury Grand, Warren and Hancock avenues and a line running 207 50-100 feet east of and parallel with Sullivan avenue, provided said plat conforms with a plat contained in the petition of Wm.
