PUBLIC BUILDINGS.

To the Honorable the Common Council:

Gentlemen—Your Committee on Public Buildings, to whom was referred the communication from the City Controller regarding the bids received for setting up and caring for the election booths until Oct. 20, 1895, respectfully report that we are of the opinion that it is best to accept the bid of the Central Storage Company, they being the lowest bidders, for setting up and removing said booths, city to furnish storage. We recommend that the Controller be instructed to contract with said company for said work and that he be authorized to rent the ground floor of Nos. 69 and 71 State street from April 1 to Oct. 20, at a rental for that term not to exceed \$400 for the use and purpose of storing said booths, and we herewith offer the following resolution.

Respectfully submitted,

RUDOLPH WEIDNER.

By Ald. Batchelder:

Resolved, That the City Controller be and he is hereby instructed and authorized to enter into a contract with the Central Storage Company for setting up and removing all the election booths and delivering the same at such point as the Controller may direct until Oct. 20, 1895, at a cost not to exceed the sum of \$2,023.55, and be it further resolved that the City Controller be and he is hereby authorized and instructed to enter into a contract with the owners of the property known as Nos. 69 and 71 State street for the use of the ground floor of said building for storing booths at a cost not to exceed \$400 from April 1 to Oct. 20, 1895.

The question was, on motion of Ald. Wright, divided and so much of the resolution as refers to the contract for rent of property known as Nos. 69 and 71 State street for \$400 was excepted, and the balance was adopted as follows:

SEWERS.

To the Honorable the Common Council:

Gentlemen—Your Committee on Sewers, to whom was referred the petition of Patrick McGoldrick, asking that the sale of lot 26, block 10, McGraw's subdivision, for a lateral sewer assessment be cancelled, respectfully report that your committee find that the petitioner on Sept. 9, 1891, paid, as he supposed, the assessment on his lot, but through a clerical error in the Receiver of Taxes' office his payment was entered on lot 26, block 11, of the same subdivision. Owing to this error the assessment on this lot has never been paid. The party owning it agrees now to pay it, and in order to unravel the tangle your committee recommends that the City Treasurer be directed to receive the amount of the assessment on lot 26, block 10, \$13.50, without penalty or interest.

CHARLES M. WESCH,
JOHN A. DeGAW,
ALOIS A. DEIMEL.
