FROM THE SAME.

To the Honorable the Common Council.

Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Gustav H. Taepke et al., for the vacation of part of plat, beg leave to report that we have given the same our careful consideration, and find that the petitioners are the owners of lots 1 to 16, both inclusive, in block 4, of Sprague & Visger's sub. of Riverside sub. of the rear concession of p. c. 152, bounded on the north by Lee avenue, on the south by Chapin avenue, on the west by McClellan avenue, and on the east by unplatted land; that the petitioners desire said plat to be vacated for the reason that they are about to construct buildings upon the above property.

Inasmuch as the property lying east of the property above described is unplatted, we can see no objection to the granting of their request and therefore recommend the adoption of the following resolution.

Respectfully submitted,

MAURICE J. KEATING,

ALBERT T. ALLAN,
CHARLES H. WIEBER,

FROM THE SAME.

To the Honorable the Common Council.

Gentlemen—Your Committee on Street Openings, to whom was referred

the petition of Helen Prindiville, for leave to pay street opening assessment, without penalty and interest, beg leave to report that we have given the same our careful consideration and upon examination find that there is now assessed against lot 128 of Goodrich & Burton's sub. as street opening assessment, which with penalty and interest to Dec. 20, 1902, amounts to \$128 44; that the owner, a minor and non-resident, being without means, is unable to pay the assessment but can borrow funds and is willing to pay the face value of said assessment.

Your committee cannot see its way clear to grant the entire relief asked for, but recommend that the City Treasurer be authorized to receive the sum of \$80 in full payment of said street opening assessment, others having been extended the same privilege upon this particular roll, and we therefore recommend the adoption of the following resolution.

Respectfully submitted,
MAURICE J. KEATING,
DAVID E. HEINEMAN,
ALBERT T. ALLAN,
CHARLES H. WIEBER,
E. J. JEFFRIES.

Accepted and on leave the following resolution was offered:

Health.

To the Honorable the Common Council:

Gentlemen—Your Committee on Health, to whom was referred the communication from the Board of Health, asking for an additional appropriation to pay the expense of general vaccination, and care of smallpox patients, beg leave to report that we have given the matter our careful consideration, and have come to the conclusion that said appropriation is absolutely necessary to proceed with the work already started.

Your committee, therefore, recommend that the sum of \$8,000 be transferred from the Liquor fund to the credit of said board with which to proceed with said work, and therefore recommend the adoption of the following resolution.

Respectfully submitted,
