Street Openings.

To the Honorable the Common Council.

Gentlemen—Your Committee on Street Openings, to whom was referred the petition of John B. Corliss requesting the vacation of a little alley lying between lots 22 and 23, of Hamlin and Fordyce subdivision, of lot 7, Leavitt's subdivision, fractional section 36, recorded in liber 11, page 29, of the plats, has had our careful consideration.

It appears that said lots are owned by the petitioner, together with the land surrounding the same, and that a plat thereof has been executed so as to front the lots on Thirteenth street, extending back to the public alley, rendering the alley, lying between said lots, useless.

We, therefore, recommend that the same be vacated, and submit the accompanying resolution and recommend the adoption thereof.

Respectfully submitted,

M. J. KEATING,
ALBERT T. ALLAN,
CHAS. H. WIEBER.

FROM THE SAME.

To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Mary F. Troup, for

extension of time for paying street opening assessment, respectfully report that we have given the same careful consideration and upon examination find that the petitioner has been assessed \$105.00 for benefits received in the matter of opening Palmer avenue, which assessment becomes due and payable on or about the 25th day of August, 1903, without penalty and interest added thereto; that your petitioner is unable to pay more than \$50.00 at the present time and therefore respectfully prays that the Receiver of Taxes be instructed to receive of amount, the balance to become payable in ninety days without penalty and interest added thereto.

Your committee are unable to see our way clear to grant the request of the petitioner, as this is a matter entirely out of our jurisdiction, and therefore see no other course to pursue than to deny the request of the petitioner, which is our recommendation.

Respectfully submitted,

M. J. KEATING,
ALBERT T. ALLAN,
CHAS. H. WIEBER,
E. J. JEFFRIES.
