Street Openings.

To the Honorable the Common Council:

Gentlemen — Your Committee on Street Openings, to whom was referred the petition of James J. Atkinson for vacating part of alley in block bounded by Campbell and Wesson avenues, Deveraux street and Atkinson park, beg leave to report that we have had the same under consideration and after investigation can see no advantage to the city in granting petitioner's request. We therefore recommend that the prayer of the petitioner be denied.

Respectfully submitted,
 ALBERT T. ALLAN,
 CHARLES H. WIEBER,
 E. J. JEFFRIES.

Accepted and adopted.

FROM THE SAME.

To the Honorable the Common Council:

Gentlemen — Your Committee on Street Openings, to whom was referred the petition of C. Satschewski et al., for vacating part of thirty foot alley in block bounded by Buchanan street, LaSalle, Scotten and Hancock avenues, beg leave to report that we have had the same under consideration and find that the alley in said block, extending from Hancock avenue south to outlot 90, between Scotten and La Salle avenues and in the rear of lots 76 to 99, both inclusive, of outlot 91 in said block, is thirty feet in width; that petitioners desire the width of said alley to be reduced to twenty feet and therefore ask that five feet on each side thereof be vacated to the abutting property. The alleys extending from Hancock avenue on line of the alley heretofore referred to, north as well as south thereof, are only twenty feet in width, and your committee after investigation can see no objection to the granting of petitioner's request, and we therefore recommend the adoption of the following resolution.

Respectfully submitted,
