FROM THE SAME.

To the Honorable the Common Council:

Gentlemen — Your Committee on Taxes, to whom was referred the resolution presented by Ald. Burton instructing the City Treasurer and Receiver of Taxes to cancel certain taxes, respectfully report that we have had the matter under consideration and are informed that Mr. Heames tendered a deed of certain property to the city to be used for alley purposes, which property is more particularly described as follows, to-wit: "Private way" in Henry Heames's sub. of lots 2 and 3 and east part of lots 4 and 5, Brevoort farm, etc., north of Fort street; that said deed was held by various departments of the city for examination, for which petitioner is in no way responsible, and which said deed was finally accepted. Petitioner owns no other property, and having sold the property abutting on said alley or private way with the under-

standing that they were to have the use of same, he tendered the same to the city. The city taxes levied against said private way for the years 1904 and 1905 were not paid for reasons above stated, and we therefore recommend that the same be cancelled, and that the resolution presented by Ald. Burton at a session held on the 7th inst. (J. C. C. p-1209) be adopted.

Respectfully submitted.

MAURICE J. KEATING,
HERMAN F. ZINK,
ALBERT F. GADDE,
M. J. OSTROWSKI.

Street Openings.

To the Honorable the Common Council:

Gentlemen — Your Committee on Street Openings, to whom was referred the petition of Alex. Y. Malcomson for the vacation of alley in block bounded by Mack and Beaufait avenues, Pulford street and the M. C. R. R. Belt Line, respectfully report that we have had the same under consideration and find that petitioner is the owner of all the property located in the block bounded by Mack and Beaufait avenues, Pulford street and the M. C. R. R. Belt Line; that there is a public alley in said block 15 feet wide lying in the rear of lots 26, 27, 28 and 29, situated on the north side of Mack avenue, which petitioner desires vacated so that he can erect a building covering the entire block. Your committee can see no particular objection to this request, as petitioner is the only one interested; provided, however, petitioner pays into the City Treasury whatever expense may have been incurred by the city in the matter of paving Beaufait avenue in front of said alley desired vacated, constructing sidewalks, crosswalks, curbing, etc., and also upon the further condition that in the event of the separation of grades at Mack avenue at some future time, petitioner files a written agreement with the city, waiving damages that might be awarded them by reason of said separation of grade to the value of the property vacated to him, said valuation to be determined by the Board of Assessors and included in said agreement, which is acceptable to petitioner, and so being we recommend the adoption of the following resolution.

Respectfully submitted,
