To the Honorable, The Common Council:

Gentlemen—Your Committee on Street Openings to whom was referred the verdict of the jury of the Recorder's Court in the matter of opening and extending Lawton avenue from McGraw avenue to the Boulevard, where not already opened, as a public street and highway respectfully report that the property in the vicinity of the improvement is largely benefited by the same and should bear a portion of the expense.

The award of the jury was \$950.24, and we recommend that \$712.68 of the amount be assessed on a local assessment district and that the remaining \$237.56 be paid by the City of Detroit out of the Street Opening Fund, and we therefore recommend that the resolution presented by Ald. Burton at a session held on the 15th inst. (J. C. C., p. 1214) be adopted.

Respectfully submitted,

WILLIAM P. KINGSLEY,

#### FROM THE SAME.

To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings, to whom was referred the petitions of Bessie M. Newman et al., for the vacation of certain alleys and offering to deed certain other property to the city for alley purposes, respectfully report that we have had same under consideration and beg leave to report the following, to-wit:

That petitioner is the owner of lots 28, 29, 30, 31, 32 and 33 of D. Scotten's sub. of P. C. 77, Knagg & Hubbard farm, situate on the east and west sides of Hubbard and Vinewood avenue, respectively; that they desire that part of the public alley lying in rear of lots 31, 32 and 33, vacated owing to the separation of grades at the intersection of the M. C. R. R. and Vinewood avenue, which has necessitated the building of a high wall at the northerly terminus of said alley and also along the northerly line of lot 31, thereby cutting off a spur track now entering upon said lot, which railroad spur track, in order to derive use therefrom, must be rebuilt so as to cross lot 33 and the alley desired vacated, to which your committee can see no objection and therefore recommend that the request be granted.

As to the second petition herein referred to, we find that petitioners, Bessie M. Newman and Elizabeth H. Scotten, are the owners of lots 3 to 19, both inclusive, of Daniel Scotten's sub. of that part of P. C. 32, etc., situate on south side of Dix avenue, between Military and Cavalry avenues, and also lot 11 of same sub., situate on west side of Cavalry avenue, between Dix and Cadet avenues, but which latter lot has been sold on land contract and the purchasers thereof have joined in the request, as is manifest from their signatures on said petition; That in the original survey of said subdivision an error of 4.39 feet was made, making it appear by said original plat that the distance between Dix avenue and Cadet avenue was 4.39 feet more than it actually is, and it is for this reason that petitioners, having discovered the error, desire to correct same, to which your committee can see no objection; provided, they dedicate to the city a strip of equal width off of lot 11, which they are willing to do and which deed has been presented for acceptance. We therefore recommend the adoption of the following resolutions.

Respectfully submitted,  
CHAS. W. BURTON,  
W. P. KINGSLEY,  
GEO. A. OWEN,  
OTTO C. GOESCHEL,  
CHARLES H. WIEBER.

Accepted, and on leave the following resolutions were offered:

By Ald. Burton:

Resolved, That all that part of the 20 feet wide public alley, opened by jury in the Recorder's Court in 1887, which lies between the southerly lines, extended, of lots 31 and 32, and the southerly line of the M. ### Ordinances.

To the Honorable, The Common Council:

Gentlemen—Your Committee on Ordinances, to whom was referred the ordinance presented by Ald. Rose at a session held on the 8th inst. (J. C. C., p. 1199), entitled, "An Ordinance to amend section 1 of an ordinance entitled, 'An Ordinance prescribing certain limits within the City of Detroit where saloons in which spirituous,

intoxicating or malt liquors are sold as a beverage shall not hereafter be established or maintained, and spirituous, intoxicating or malt liquors sold therein," respectfully report that we have had same under consideration and after due deliberation recommend that said ordinance be amended by adding the words "the alley first north of and parallel with" after the word "by" in line 157 of section 1, and that the ordinance as so amended, be passed.

GODFREY FREIWALD,

### Licenses.

To the Honorable the Common Council:

Gentlemen—Your Committee on Licenses, to whom was referred the resolutions granting permission to Clara Bard, Nathan Weiner, Harris F. Dack and James Carroll to peddle without a license, respectfully report that we have had all of said matters investigated by the Poor Commission and after due deliberation can see no reason for granting permission to Clara Bard to peddle without a license, her circumstances being such in our judgment that she is well able to pay the fee required by ordinance. As to the cases of Nathan Weiner, Harris F. Dack and James Carroll, we find them worthy of consideration and we therefore recommend that their requests be granted, and that the resolutions presented by Ald. Kingsley at a session held on Sept. 10 (J. C. C. p-1086); by Ald. Littlefield at session held on Sept. 24 (J. C. C. p-1134), and by Ald. Rosenthal at session held on Aug. 27 (J. C. C. p-1025), be adopted, and that the resolution relating to Clara Bard, presented by Ald Kingsley, at a session held on Sept. 10 (J. C. C. p-1086), be indefinitely postponed.
