### Taxes.

To the Honorable the Common Council.

Gentlemen—Your Committee on Taxes to whom was referred the petition of E. M. Campbell for leave to pay certain assessments without penalty and interest, respectfully report that we have had the matter under consideration and find that she is the owner of a large number of tax titles on lot 217 of Woodruff's sub. of the Lafferty Farm; that the City holds certain tax titles on said lot for unpaid paving assessments; that petitioner's claims are later and superior to those of the City, and in order to avoid controversy, petitioner offers to pay the City the face of its claims, which would amount to \$402.57 and have the property discharged from the claim thereof.

Your committee submitted the matter to the Corporation Counsel and are advised by him to accept the original amount of the paving assessment and the full amount due for the sidewalk assessment, and in view thereof, we recommend the adoption of the following resolution.
