#### FROM THE SAME.

To the Honorable the Common Council:  
Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Reverend B. Szczerba, Rector of St. Hedwig's Church, asking that the lines of Rollins street be diverted, respectfully report that we have had the matter under consideration and find that said church is the owner of lots 36-73, both inclusive of McMillan and Whiting's sub., situate on the north and south sides of Rollins street, between Wesson and Junction avenues, and also on the west side of Junction avenue north and south of Rollins street; that lots 56-69, inclusive, situate on the south side of Rollins street are very shallow in depth and in order to utilize the property owned by them, petitioners ask that a portion of Rollins street, between Wesson and Junction avenues, be vacated in consideration of which they will deed such portion of lots 56-69, both inclusive, situate on the s. s. Rollins street, and lots 73, 72 and part of lot 71, situate on the west side of Junction avenue, as may be necessary for street purposes, thereby diverting the line of Rollins street west of Junction avenue to a point approximately 100 feet south of its present location. Your committee, after a personal inspection of the premises, beg leave to state that we can see no special objection to granting petitioner's request, and we therefore recommend the adoption of the following resolution.

Respectfully submitted.
