Gentlemen — Your Committee on ferred the petition of Elizabeth and of Kirby avenue, commonly known as Haven street, respectfully report consideration and find that petitioners are the owners of lots 180 and 181 of W. B. Wesson's Section of the W. S. of Twelfth street immediately north of Kirby avenue; that Kirby avenue west of Twelfth street to the W. S. of Twelfth street immediately north of Kirby avenue; that Kirby avenue west of Twelfth street to the W. G. R. R. was formerly 96 feet wide, which occurred by reason of the fact that when Kirby avenue was opened a portion of what was then known as Haven street was taken for said opening in addition to certain property lying south of the south line of Haven street in order that a straight thoroughfare might be had, so that there remained a strip 36 feet wide of what was formerly known as Haven street, which was useless for street purposes and the Committee on Street Openings, upon request of the adjoining property owners in the past has vacated this 36 feet in question in front of all the property except that abutting the property except that abutting the property owned by the petitioners. Your Committee beg leave to state that we can see no objection to vacating this strip, provided petitioners pay all unpaid taxes and assessments levied against the property owned by them within ninety days from the date of the adoption of this resolution.
