Taxes.

To the Honorable the Common Council: Gentlemen — Your Committee on Taxes, to whom was referred the petition of Susan C. Concord avenue; that a noxious weed assessment was levied against said lot in error by the Board of Assessors, owing to the existence of lots of same numbers in same sub., except that they are located or distinguished by "north" or "south" and in writing up the description the "north" lot 8 was assessed instead of the "south" lot 8, which is apparent from the records in the D. P. W. office, and same having been levied in error we recommend the cancellation of said tax and herewith offer the following resolution.
