From Department of Parks and Boulevards.

To the Honorable the Common Council: Gentlemen—Your Committee to whom was referred the communication of the Commissioner of Parks and Boulevards regarding proposals received for the construction of a sea wall at Owen Park, beg leave to report that we have had the same under consideration and find that George R. Cook is the lowest bidder in the sum of \$1,788.

Owing to the fact that he is now at work constructing a similar wall on the adjoining property for Willis I. Buhl, he has agreed to allow the sum of \$300 for the privilege of using the park driveway to make the fill on the Buhl property, thereby reducing the amount of the contract to \$1,488.

Your Committee, believing this bid reasonable and just, recommend that the contract entered into by the Commissioner of Parks and Boulevards with George R. Cooke in the sum of \$1,488, be confirmed.

Respectfully submitted,
